Office of the IBA

Department Description

On November 2, 2004, the voters of the City of San Diego approved Proposition F which provided for a change in the City's form of government from City Manager to Strong Mayor-Strong Council for a five-year trial period. Proposition F also provided that the City Council shall have the right to establish an Office of the Independent Budget Analyst (IBA) and to determine the powers of the office and its manager by ordinance. The Office of the IBA was established January 16, 2006 consistent with Proposition F.

On June 3, 2008, voters passed Proposition C which amended the City Charter related to the Chief Financial Officer, City Auditor, Independent Budget Analyst, City Treasurer, and Audit Committee and made permanent the Strong Mayor-Strong Council form of government. By adding Section 39.3 to City Charter Article V, this proposition made permanent the Office of the Independent Budget Analyst regardless of the form of government.

The function of this office is explained in Charter Section 39.3 which states "the Office of the Independent Budget Analyst shall provide budgetary and policy analysis for the City Council," and San Diego Municipal Code Section 22.2301 which states "there is hereby created the Office of Independent Budget Analyst, a City department whose designated function is to assist the City Council in the conduct of budgetary inquiries and in the making of budgetary decisions."

The Department's mission is:

To provide clear, objective, and unbiased analysis and advice to the City Council and the public regarding all legislative items bearing financial and policy impacts to the City of San Diego

Office of the IBA

Goals and Objectives

In addition to assisting the City Council in making budget and policy decisions, the IBA strives to implement "good government principles," by ensuring the public has access to information and ability to participate in the decision-making process, and to add value by providing supplemental information to further educate decision-makers and the public, all of whom may be affected by the outcome. The IBA has made significant contributions to shaping important policy discussions through its research, analysis, outreach to authoritative resources, and preparation of well-developed recommendations.

Service Efforts and Accomplishments

In its eighth year, the Office of the Independent Budget Analyst continues to provide information, analyses, and recommendations throughout the annual budget process, as well as for all financial and policy items submitted throughout the year for City Council, Housing Authority, and Council Committee consideration.

Each fiscal year, the IBA reviews and evaluates the Mayor's Proposed Budget and Five-Year Financial Outlook and issues preliminary and final reports on recommended changes to the City Council for consideration. The Office participates in the City Council's seven standing committees, ad-hoc committees, and other committees such as the Managed Competition Independent Review Board. The IBA also participates on behalf of the City Council in the labor negotiation process and is responsible for coordinating City Council responses to Grand Jury reports.

The IBA contributes significantly to the ongoing development and implementation of financial and budgetary reforms, principles, and policies. The Office has been vital in the establishment and success of the City's first independent Audit Committee and their policies and procedures. The IBA coordinates the City Council financial training program and has been integral to the City's ongoing reform in other areas such as managed competition, equal opportunity contracting, Community Development Block Grants, pension and health care benefits reform, capital improvement program financing and streamlining, and redevelopment dissolution.
